**Excisions:** Excisions Recommended But Not Made

**Reasons for excisions:**

Two excisions are required to remove depictions of sexual conduct in which an inexperienced woman is physically manipulated in a manner that degrades and dehumanises her to a high degree and which is presented in a manner that intensifies the effect.

**Summary of reasons  
for classification:**

The DVD *Me So Asian #3* is classified as:  
Objectionable.

The DVD *Me So Asian #3* is a sexually explicit publication that focuses on activity between petite Asian women and large European men. Excisions were offered to reduce the likelihood of injury from exposure to a sequence of activity that significantly degrades, dehumanises and demeans the woman involved. In this instance the distributor declined to make the recommended excisions.

The publication's classification interferes with the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990, but this is an outcome that is consistent with Parliament's intention to limit the availability of publications that present degrading, dehumanising and demeaning sexual conduct to such a degree that the publication's availability is considered likely to be injurious to the public good.
